American Academy of Orthopaedic Surgeons honors Groh

The American Academy of Orthopaedic Surgeons has appointed Dr. **Gordon Groh** of Asheville to assist in developing comprehensive continuing medical education for its members. Groh — a board-certified specialist in shoulder, elbow and hand surgery — has practiced at Blue Ridge Bone & Joint for 15 years. He's one of only four orthopedic surgeons nationwide to hold memberships in both the American Shoulder and Elbow Surgeons and the American Society for Surgery of the Hand, the academy notes. Blue Ridge Bone & Joint has offices in Asheville and Hendersonville.
